CAM CALLOWAY
(Jessie T. Usher)

Cam Calloway has come a long way from the Boston projects by signing to the Atlanta pro basketball team. His next big challenge is deciding who to help – and not help – on his way up.

MARY CHARLES CALLOWAY – "M-CHUCK"
(Erica Ash)

M-Chuck is Cam's older sister, staunch defender, and biggest fan. Accompanying the family to Atlanta, she's a forthright, blunt, loyal sibling who is suspicious of the traps of fame, and its impact on her brother. Her boldness often chafes against the expectations the city has for the family being new Atlanta Royalty, and also the Cam "Brand" that Reggie works hard to foster.

REGGIE VAUGHN
(RonReaco Lee)

Loyal and watchful, Reggie is not only Cam's cousin, but his best friend and confidant. It's his job to protect Cam and make sure that he's focused and stays away from the many distractions along the way - including his own family.
