POWER

If your customers like series like Empire & Breaking Bad, they'll love Power, a crime drama about a drug kingpin trying to make the impossible transition to a legitimate businessman.

James "Ghost" St. Patrick (Omari Hardwick)

The brilliant and debonair owner of Truth nightclub on the surface, Ghost is also one of the largest drug distributors in New York City. Along with his best friend Tommy, he created his drug empire from nothing, and while the club is a front to wash money, it's much more to Ghost: it's his way out of the drug game and into a legitimate business and life.

Angela Valdes (Lela Loren)

Angela's career and advancement are her goals, as is living the life she believes she should want. She grew up with Ghost in a rough neighborhood, and she managed to escape using her intellect, ambition, and determination, but she never truly left her childhood behind.

Tasha St. Patrick (Naturi Naughton)

Crafty, loving, fierce, and drop-dead gorgeous, Tasha is Ghost's young wife who has been at his side for years, throughout his rise in the drug game. She's his partner in raising three children and an empire while providing the home life and stability he wants. But as Ghost pursues the club, Tasha begins to realize that her fantasy life may be in jeopardy.

Tommy Egan (Joseph Sikora)

Mercurial, extreme, wounded, and loyal to a fault, Tommy grew up with Ghost like a brother. They began the drug business together, and for Tommy, it's not a means to an end – it is the end itself. Ghost and the business mean everything to Tommy and he won't let anything come between him and them.

Kanan (Curtis '50 Cent' Jackson)

Ghost's former boss, Kanan's been in prison for years on a sketchy drug charge. Having taken both Ghost and Tommy under his wing years ago, he serves as a mentor to Ghost and an advisor to his organization, and he plans on returning to the game in grand fashion upon his release.

Reason to Watch: Kanan, played by Curtis "50 Cent" Jackson, is fresh out of jail and looking revenge. Will Ghost maintain his empire?

Inside Scoop: The story of Power is not based on Curtis "50 Cent" Jackson's life, but some events and characters within the series are inspired by situations he has witnessed and people he has met.
