CHARACTERS THAT WILL MAKE YOU LAUGH

CAM CALLOWAY

Jessie T. Usher

Pro basketball player Cam Calloway left the struggles of the Boston projects behind him when he signed a max deal in Atlanta. And he took his family with him. With a big heart and a quick wit, Cam plans on turning fame and fortune into a lasting legacy for them. Unless they ruin everything first.

REGGIE VAUGHN

RonReaco Lee

Reggie is Cam's cousin and manager but his job description oughta read "visionary/trouble-shooter/babysitter". Cam and the Calloways are constantly in trouble but as long as they have Reggie, they'll never be without someone to bail them out.

MARY CHARLES CALLOWAY | "M-CHUCK"

Erica Ash

Cam's older sister M-Chuck was his first coach, toughest opponent and biggest fan. Always a little boy in her eyes, she tends to underestimate Cam, which irritates him to no end. But God forbid anyone else mess with him, or pitbull M-Chuck tears 'em limb from limb. Loose cannon is an understatement.

MISSY VAUGHN

Teyonah Parris

Missy Vaughn is what they call a "catch". And Reggie knows it. Whether it's putting him in his place, propping him up when he's in doubt or cracking the whip when the Calloway's take him for granted, Missy's openness and brains help keep Reggie on an even keel. Oh, yeah, she's also GORGEOUS.

CASSIE CALLOWAY

Tichina Arnold

Cassie Calloway fought tooth and nail so her son Cam could grab the brass ring (and some bling for her). Her tough exterior hides a huge heart, which beats only for her family...who also drive her crazy. This has her ready to meet a man. Or several men.

UNCLE JULIUS

Mike Epps

By process of elimination, Uncle Julius has become the family patriarch. As Cassie's brother and Cam's uncle, he never needed much to be happy. However, now that Cam's struck gold, he figures it's a sin to let it go to waste. If it all goes away tomorrow, Uncle Julius will be the same hustler. Which is why he loves today.
