A STARZ ORIGINAL SERIES

POWER

From Executive Producer Curtis "50 Cent" Jackson comes the crime drama "Power". James "Ghost" St. Patrick owns Truth, New York's hottest, up-and-coming new nightclub for the city's elite. When he's not at the club, he's the kingpin of a lucrative drug network. Ghost wants to go legit but once you're in, it's hard to get out.

**Series Premieres June 7

A STARZ ORIGINAL SERIES

OUTLANDER

Adapted from Diana Gabaldon's international bestselling novels, "Outlander" follows the story of Claire Randall, a married combat nurse from 1945. When Claire is mysteriously swept back in time to 1743, she is forced to marry a chivalrous Scottish warrior. The passionate affair tears Claire's heart between two vastly different men in two irreconcilable lives.
